

1.3mm x 3.5mm PCB DC Power Socket

Description

- 1.3 x 3.5mm size
- Right angle type
- Solder lug termination
- Single pole switch
- 2A current rating
- Voltage rating: 16VDC

Low cost PCB mounting DC power socket suitable for a range of low current applications.

Specification

Inner Diameter	1.3mm
Outer Diameter	3.5mm
Contact Rating	2A 16VDC
Contact Resistance	30mΩ Max
Insulation Resistance	100MΩ Min
Operating Temperature	-30°C to +70°C
Housing Material	PBT
Contact Material	Nickel Plated Copper
Termination Method	Solder
Mounting Type	PCB
